

WINTER FOOD TASTE TESTING

Our yearly Winter Food Taste Testing was definitely a big hit with a wonderful attendance from residents. Residents tried a huge amount of yummy foods and it was like a mini show with Mark explaining the ingredients of each dish and how it was prepared.

Feedback was captured on whiteboard as well as on paper and majority of all the food tasted got a big tick of approval from the residents. Kel and Rovina loved posing with their chef's hats and they looked great on them. Pictured below is a curry dish and Colin above trying one of the desserts.
