With Our Multiple Function Liquor License comes the option of adding a drink to your meal.

We ask members to consider their options and know the limits. Our RSA certified bar staff and Club Licensee are always available to help you select a suitable alternative.

DO NOT DRINK AND DRIVE.

Have a **Plan B** and enjoy a night out with friends a nice meal and some music or join in a card game or two. We can order you a taxi or UBER to get you home safely. Only drinks purchased from the bar can be consumed on premises.

**Respect our neighbours
and leave only good memories**

The Board, wishes to advise that regulation changes are allowing more activities to return. Current hall capacity is 90 patrons allowing the club to scale up events a little. A raft of new activities have been looked at for the Wednesday morning and Friday afternoon. Submissions for returning or new activities are always welcome, bring your passion for your hobby and share it. Volunteering to help is also an option to get involved and share with the members and be an integral part of running the Club. We are currently assessing how to facilitate the return of dancing to the venue. A ballroom instructor has put his hand up to bring something different to the dance floor. Time to put your best foot forward.

Members and Guests,

Masks are not mandatory for club patrons, if you choose to wear one you can.

Please be advised that the club operates under State Government and Local Council COVID regulations and needs your help to maintain a safe environment for all. You are required to sign-IN to COVID register on entry. Our COVID marshal will take your temperature. The club provides Alcohol based sanitiser for your convenience. Our volunteers and Council cleaners work hard to keep the hall clean so we can keep operating. Your continued patronage is valued. As one we are working together, on the occasion that you are not feeling well, have a cold, snuffle or cough, look after yourself and others and consult your GP and come visit us another day.

Thank you for your assistance,
Rembrandt Board

President's report

By Allan Potter

Valued Members, We trust all enjoyed the Easter break. Hearing stories of members who spent their time visiting loved ones and made the most of the eased travel restrictions to support our hard hit tourist industry. Friday nights have continued to be a hit with different music to compliment the delightful home cooked meals that our kitchen keeps on serving out. Our recent games night attracted a host of grandkids that got their introduction to sjoelen while other games were played on various tables. The Line up of events keeps on getting bigger and better with Ballroom dancing coming to our floor. Join in with our Ballroom instructor or just for your viewing pleasure. Live music going the next step with Herman putting on some tunes and our first vocalist making it on stage at the end of the month. Our resident barman will show of more of his tricks by shaking the cocktail shaker and the kitchen has more menu plans for every occasion. Its time you come and check out your club. Bring the Family, bring your partner, bring a friend. See you soon - **Allan J. Potter**

May the 7th is your chance to show that that little extra for Mother's day. No need to worry about the dishes as our chef has got you covered with a perfect meal and a little sweet treat. Add a little music and some friends to make it a great night. Please assist our kitchen with booking in advance where possible.

May the 14th will be the chance to try something a little different with the bar going all in on our first cocktail night. Dinner and a fancy drink to start the weekend. To celebrate nurses day step into their lingo and try a 'Code Blue' at the bar and find one of our resident caregivers to have a chat.

May the 28th is where we welcome our first vocalist on stage with Warren Potter, the King of Diamonds performing a Neil Diamond tribute show live in the club. If the name sounds familiar that's because he has performed in a great many places but the younger brother of our president is looking to light up the stage @ the Rembrandt.

Laughter is the best Medicine

Surgeon Talk... Five surgeons were talking about the best patients... First surgeon says, "Accountants are the best to operate on because when you open them up, everything on the inside is numbered." Second surgeon says, "Nah - librarians are the best. Everything inside them is in alphabetical order." Third surgeon responds, "Try electricians, man! Everything inside them is colour coded!" Fourth surgeon intercedes, "I prefer lawyers. They're heartless, spineless, gutless, and their heads and butts are interchangeable." To which the fifth surgeon, who has been quietly listening to the conversation, says, "I like engineers. They always understand when you have a few parts left over at the end."

If General Motors Built Cars like Microsoft... At a recent computer expo, Bill Gates reportedly compared the computer industry with the auto industry and stated: "If GM had kept up with technology like the computer industry has, we would all be driving twenty-five dollar cars that got 1000 miles to the gallon." In response to Bill's comments, General Motors issued a press release stating "Yes, but would you want your car to crash twice a day?"

Storks... Two storks are sitting in their nest: a father stork and baby stork. The baby stork is crying and crying and father stork is trying to calm him. "Don't worry, son. Your mother will come back. She's only bringing people babies and making them happy." The next night, it's father's turn to do the job. Mother and son are sitting in the nest, the baby stork is crying, and mother is saying "Son, your father will be back as soon as possible, but now he's bringing joy to new mommies and daddies." A few days later, the stork's parents are desperate: their son is absent from the nest all night! Shortly before dawn, he returns and the parents ask him where he's been all night. The baby stork says, "Nowhere. Just scaring the hell out of college students!"

Duck Food... A duck walks into a bar and says "Do you have duck food here?" The bartender says "No" and the duck leaves. The duck comes back the next day and says "Do you have duck food?" The bartender says "No." The duck comes back the next day and says "Do you have any duck food?" The bartender says "I already told you 'No' twice! If you come back and ask me again, I'm going to nail your feet to the floor!" The duck comes back the next day and says "Do you have any nails?" The bartender says "No." "Do you have any duck food?"

Drunk Driving? A Highway Patrolman waited outside a popular bar, hoping for a bust. At closing time everyone come out and he spotted his potential quarry. The man was so obviously inebriated that he could barely walk. He stumbled around the parking lot for a few minutes, looking for his car. After trying his keys on five other cars, he finally found his own vehicle. He sat in the car a good ten minutes, as the other patrons left. He turned his lights on, then off, wipers on, then off. He started to pull forward into the grass, then stopped. Finally, when he was the last car, he pulled out onto the road and started to drive away. The patrolman, waiting for this, turned on his lights and pulled the man over. He administered the breathalyzer test, and to his great surprise, the man blew a 0.00. The patrolman was dumbfounded. "This equipment must be broken!" he exclaimed. "I doubt it," said the man, "tonight I am the designated decoy!"
