

# ABEL TASMAN VILLAGE

## HOMECARE PRICING SCHEDULE

### AS AT 1/1/2023

Abel Tasman Village provides aged care services which support older people to live independently at home. We put our clients individual choices and needs first.

This schedule details how your homecare budget can be allocated according to the services you choose to have delivered.

The budget is grouped into two main sections:

#### Care Management

Care management is an essential component to the efficient and effective use of your homecare package. Abel Tasman Village Home Care will assist you with managing your homecare package. Our specially trained Home Care coordinator will conduct a thorough assessment of your needs at first visit, plan and identify your goals, and conduct an ongoing monitoring and evaluation of your services and support. Our highly trained Registered Nurse is also involved in assessing any clinical needs. We will help you have more control and choice about the types of care and services you access, how the care is delivered, and who delivers it to you. Abel Tasman Village Home Care specialise in matching you with carers and helpers from the same cultural backgrounds, because we know how important it is to encourage and maintain your cultural links.

#### Common Support Services

There are a wide variety of support services available to you under your homecare package. These include personal care, meal preparation, nursing services, domestic assistance, access to allied
